YOUR PROTECTION

ULTRACOVER®

THE RIGHT CHOICE FROM THE LEADER IN INSTRUMENT REPROCESSING

A COMPLETE RANGE

Ultracover® offers the most complete range of disposable covers to facilitate the safe and hygienic use of ultrasound transducers. Ultracover® offers the key to peace of mind when it matters most.

THE PROPER SOLUTION

Ultracover® disposable transducer covers reduce the risk of infectious disease transmission and helps improve clinical outcomes by maximizing the protection available for both patients and medical staff during ultrasound procedures.

Whatever branch of medicine, wherever ultrasound is used, Ultracover® offers the proper solution.
